BILLING NOTE:

"I'm available most days from 5am to 5pm. That's a 72- hour work week, which I'm accustomed. I'm obsessive about returning your phone calls and messages. However, on Sundays or anytime after 5 o'clock, I'm usually wrapped up in calling it a day. Please make every effort to limit anything that can wait if possible. Obviously I'm glad to address emergencies or something that is extremely urgent. Thank you for the opportunity and trusting my team to take care of your horses."
